A note regarding Flowers

At St Vigor's we are fortunate to have Mrs. Joyce Svensson who, with her team, is happy to do flowers for weddings in St Vigor's at cost. Please contact her as soon as possible (C 880605) either to take up her kind offer or to let her know if you wish to have your own florist as the church flower team needs to know colour schemes etc so that the church flowers fit in with your flowers. It is usual for the pedestal by the screen to be left in place.
