### October 12 2025: Harvest Thanksgiving

Eternal God, you crown the year with your goodness and you give us the fruits of the earth in their season: grant that we may use them to your glory, for the relief of those in need and for our own well-being; through Jesus Christ our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and forever.

Our reading from Deuteronomy looks forward to the time when the Children of Israel, redeemed from slavery in Egypt, will become farmers in the land across the Jordan. They've never been farmers before; God tells them to remember that. Every year they must take some of the first of all

there is no Planet B.

you can hear God's words in the voices of the children telling us that
